Norwich, Conr Weak Folks Made Strong

People ask us for a remedy that will make them strong again. There's no such medicine on earth. Good food, plenty of it properly digested is what makes strength. But we have a remedy that will make you hungry three times a day—so hungry—that you can hardly wait for mealtime.

That's that what you week falls. That's just what you weak folk, need if you could just get a good appetite again. Nature would do the rest for you. We know that

He claimed that a license was a case of greed to get something out of the

small man's pocket. Who Will Be Protected? Attorney Herman Alofsin, 2d, made an argument on behalf of a large body of men who do business as peddiers. He asked if there was a neces-sity for a license. He argued that there was no call now for a high license and thus make a direct or indi-rect tax which every man was paying already. The city does not want revenue from these peddlers, but it is said the license is to pretect some business men. It's a question which kind of business men you are going to protect. The small man or the Main street business man. If you want to protect the city against outsiders put the license fee high enough for it. The present license fee is \$10 for it. The present license fee is \$10 for fee, which he said would do a lot of footgoers and \$15 for teams, and \$25 harm to the Norwich needlers, but he for non-residents.
